

2. Pele - the Legend

For many football fans, Pele is the greatest goal scorer in the history of the game. He was already playing in the 1958 World Cup finals for Brazil, at the age of seventeen.

He scored goals from every angle and at every speed. He got tap-ins, amazing long shots and headers.

The most magical thing about Pele was that he wasn't afraid to try out new tricks. Millions have tried to be as good as him, but no one has quite got there.
